

PP01 / **SIR RICHARDS CONDOMS** [12] \$16

Completely vegan, PETA-certified and paraben free, get the best Sir Richard's condoms in one variety pack! Each collection's package contains four each of Ultra-Thin, Classic Ribbed and Pleasure Dots, designed to dramatically enhance sensitivity and sensation through their unique shape and fit.

PP02 / **HATHOR LUBE** (4oz) \$13

Made with love in Canada, this organically sourced lube contains Horny Goat Weed & feels soft like velvet. This water-based lube is unscented, unflavoured and non-sticky. Better put the 'do not disturb' sign on.

PP03 / **PLEASURE FEATHER** \$8

Tickle and tease with this plume of brightly coloured feather to trace all your intimate contours.

PP04 / **BONDAGE TAPE** \$12

Let your imagination loose with this incredibly versatile toy. Give yourself up to your lover or take control of the situation. Great for anyone who has a hard time with knots, and it looks sexy without hurting your skin, too.

PP05 / **MASSAGE BAR** \$8

Lovers of erotic massages, you're met your match! With endless options to enhance your sensual rubdown, this massage bar melts slowly with your body heat. Made with pure cocoa butter, shea butter and essential oils.

PP06 / **TENGA EGGS** \$15

This isn't your average Easter Egg hunt. You never know which Tenga egg you'll get. Made by the newest Japanese men's sex toy maker, collect all six styles. Each egg contains a super stretchy, highly textured sleeve for hours of reusable solo or partner play.

PP07 / **SILK BLINDFOLD** \$20

Turn off one sense and turn on all the rest. Luxurious in both look and feel, blindfolds are held comfortably in place with a durable elastic strap.

PP08 / **FLOGGERELLA** \$22

Take the gloves off your love making with this sweet looking (but entirely saucy) suede flogger. One of our favourite light floggers, it is soft enough for beginner play, but versatile and perfect for any kind of play where a gentle touch is desired.

PP09 – **JEJOUE MINI MOTOR** \$38 (+ attachments, required)

The Mini Motor from JeJoue is a versatile and fun-loving pal. Clip into a co-responding Mini/Lite Sleeve that JeJoue has designed, and voila: sex boy! USB rechargeable, features three intensities plus three pulsation settings, is also waterproof and phthalate-free. Mix and match from one of all of the modular attachments, the possibilities are endless!

+ PP09A / **Pebble** \$19

A powerful and pocket sized mini-vibe.

+ PP09B / **Butt Plug** \$25

Featuring smooth curve often seen in other anal toys or prostate massagers.

+PP09C / **Ring Sleeve** \$19

This oh-so-versatile toy can be used as a penis ring, or on an anal hand, favourite dildo, or vibrator for a portable and playful way to add more vibration.

P010 / **JEJOUE FIFI** \$150

Taking the rabbit genre of vibrator further than it's ever gone before, Je Joue brings us the equally and glorious FiFi. With curves for all of your favourite spots, dual motors to provide vibration inside and out, and everyone's favourite 'bunny ear' clitoral stimulation, we couldn't ask for more from Je Joue!

PP011 / **WE-VIBE CLASSIC** \$158

Invented in Canada by Canadian laid off by Nortel, this is the best sex toy that ever came out of this country. Designed for hetero couples to be worn during penetrative sex, it is famous in its own right.
